

Are you Lai?

Whether you were born between cultures or simply feel Lai,
being Lai means embracing cultures.
It's a way of living. A state of mind.

About finding your own identity, staying curious, and having the
freedom to mix what truly belongs together.

At Lai, we blend the essence of Vietnam with local influences,
modern techniques and pure ingredients.
Yet above all, it should always taste like home.

Created by the founders of COMAI, Lai was born for a new kind
of dining culture. A space where food becomes culture and
culture becomes connection.

Every bite tells a story.
